CODE OF CONDUCT/CODE OF DRESS

CODE OF CONDUCT

- In keeping with the highest standards of conduct, we expect everyone to conduct themselves in a professional manner when representing Magen Yeladim International.
- In the event you are asked a question regarding Safety Kid®, unless it is directly related to your presentation and falls within the guidelines of your position, refer the person asking the question to the MYI office.
- Be on time for all presentations. In the event that you will be late or that you are unable to fulfill the schedule, please notify our office as soon as possible so that we send a replacement or adjust the schedule accordingly.
- Spend five minutes with the classroom teacher. Introduce yourself, verbalize the expectation that he/she will be present during the presentation and that they are responsible for classroom management. Ask about any sensitive situations to be aware of.
- In the event that a child discloses sensitive information to you during your presentation follow the instructions in your Disclosure Contract.
- Please be sensitive to the culture of the school you are visiting and refrain from any judgmental attitudes or comments.
- Discretion is a must. Do not discuss any disclosures or classroom observations with others including Safety Kid® Educators. Add necessary comments on your Educator Evaluation. Without using specific names or schools, we will provide a forum at our quarterly Educator Meetings in which to discuss our experiences and presentations.

CODE OF DRESS

- In order to be sensitive to the cultural needs of all schools, please dress modestly, i.e. wear skirts or dresses, tops with sleeves, high necklines and stockings when representing the Safety Kid® program in schools
- Wearing Safety Kid® shirts is required at all presentations.
- Wearing Safety Kid® personal name tag is required at all presentations.

SAFETY KID® PROGRAM DISCLOSURE CONTRACT

If a child should disclose abuse during the time that I am presenting the Safety Kid® Children's Program, I agree to acknowledge that child by thanking him/her for sharing, acknowledging the importance of the disclosure and promising to discuss it with him/her after class.

After class I will thank the child for sharing, reiterating that it is always important to find a Trusted Adult whom s/he can tell. I will then alert the teacher and the Safety Kid® Supervisor of the day. I will indicate it in writing on my Evaluation form and report it to the Director of the Child Safety Institute.

I understand that as a Child Safety Educator my responsibility is to inform the teacher, the Supervisor of the day and the Director of the Child Safety Institute regarding any possible disclosure, and to include the information on my Evaluation. I will **NOT** attempt to do any type of counseling or additional reporting.

The **teacher** is a **Mandated Reporter**, and once made aware, it is his/her job to handle potential abuse situations. It is the responsibility of the Supervisor of the day to inform the School Principal. It is the responsibility of the Educator and the Supervisor to inform the Safety Kid® Program Director verbally and/or as part of the written Evaluation.

I am aware that in the case of a disclosure I am limiting my conversation purposely to allow the **legally mandated process** to take place.

I acknowledge that I have been informed by the Safety Kid® Program what to do in the case of a disclosure of child abuse.
